Member W. N. Y. S.
Nurserymen's Association
American Assoc. of Nurserymen

The majority of our stock is fresh dug for each order and is grown by us for a discriminating landscape trade thus insuring heavier specimens.

RATES—Where 100 rates are given:

10 or more evergreens or trees of the same size and variety take the 100 rate.

20 or more shrubs of the same size and variety take the 100 rate.

All others at the 10 rate.

TERMS: Cash or satisfactory references.

All accounts net 30 days from date of invoice.

Stock subject unsold—F.O.B. our nursery.

Prices subject to change without notice.

BOXING AT COST—Shipments travel at purchaser's risk.

GUARANTEE—All material to be in A-1 condition when shipped. No complaints honored unless made in writing within 10 days after receipt of goods. **No Guarantee Given as to Growth of Material.**

Our favorable location makes it advantageous for our customers to come with their trucks and save boxing and packing charges.

All orders accepted on the condition that they shall be void if circumstances beyond our control—such as storms, frost, fire, strikes, government priorities, labor conditions, etc., interfere.

Sufficient coverings should be carried to protect loads. All extra burlap, etc., furnished by us will be charged for.

All the stock not listed B & B subject to the following rates:

18-24" & 2 - 3' @	\$.25
3 - 4' @30
4 - 5' @50
5 - 6' @75
6 - 7' @	1.25
